ORDER

Before the Court is the United States' Unopposed Motion for Adoption of Pleading Schedule to Respond to Docket Numbers 783 and 784 ("Motion for Pleading Schedule").<sup>1</sup> Finding that the proposed schedule will produce an adequate record upon which the Court will be able to resolve the pending motions, the Government's Motion is GRANTED; and it is hereby

ORDERED that the parties comply with the following filing schedule:

- Monday, July 14, 2003 – Government's CIPA § 4 filing
- Wednesday, July 23, 2003 – Defense filing<sup>2</sup>
- Tuesday, July 29, 2003 – Government's response

---

<sup>1</sup> Although standby defense counsel may join in the Government's request, it is clear from Mr. Moussaoui's pro se pleading docketed as #967 that he objects to any further delay in the resolution of the motions at issue.

<sup>2</sup> Because Mr. Moussaoui may not be able to identify the motions at issue by the referenced docket numbers, standby counsel must immediately advise the defendant of the subject matters to be addressed, and his obligation to comply with the filing schedule established in this Order.

- Friday, August 1, 2003 - Defense reply

To ensure that Mr. Moussaoui has a meaningful opportunity to participate in this process, it is hereby

ORDERED that counsel for the United States and the Court Security Officer submit the above-referenced filings for expedited classification reviews so that appropriate versions can be provided to Mr. Moussaoui within 72 hours of their filing. Any response by the defendant to the submissions of counsel must be filed by Monday, August 11, 2003.

The Government's Motion for Pleading Schedule is classified as "Secret" and, accordingly, has been filed under seal with the Court Security Officer. Having reviewed the pleading, the Court cannot conceive of any legitimate reason why it should not be placed in the public record. Accordingly, it is hereby

ORDERED that by the close of business on Monday, July 14, 2003, the United States explain to the Court in writing the national security justification for the "Secret" classification.

The Clerk is directed to forward copies of this Order to the defendant, pro se; counsel for the United States; standby defense counsel; and the Court Security Officer.

Entered this 11<sup>th</sup> day of July, 2003.
